Representative Example (4% fixed interest rate, Representative 4.2% APR).

Loans are subject to status and are typically protected by a Title Restriction.

Borrow £5,000 over 60 months, £92.08 monthly repayments. Total amount repayable = £5,544.96, including £20 fee for registering the Title Restriction against your property at the Land Registry. The £20.00 fee is only payable if a loan is agreed by Lendology and you decide to proceed with a loan. We do not charge interest on the fee. A Title Restriction means that you may not be able to sell your home without our permission unless the loan is fully repaid. This is a financial promotion approved by Lendology CIC. Missing payments could affect your credit rating and ability to obtain credit in the future.
